

Free AED & CPR Training

To: All Interested Persons
From: Kevin C. Scarpa, Chief
Date: 22-October-2008
Re: CPR with AED training (bystander level)

The Avalon Rescue Squad is offering FREE CPR/AED training open to the public. This one-night class is about three-hours long.

This training is geared towards individuals with minimal or no experience and will train the student to perform CPR and utilize a defibrillator (AED) in advance of First Responders. It is recommended for persons who work in or frequent locations where Public Access Defibrillators have been placed.

- This course includes the 2006 GUIDELINES for CPR and Defibrillation.
- This is not the "Healthcare Provider" level certification.

Target Audience: Any interested persons.

DATE(S): THURSDAY, November 6, 2008

TIME(S): Adult, Child & Infant CPR & AED 6pm to 9pm

Location: Avalon Fire House, 2nd Floor (elevator available)
31st & Dune Drive, Avalon

Tuition: Free

Accreditation: American Heart Assn. HEARTSAVER® AED (2006 VERSION)

Registration: Required, call 368-5288 to register.
